**I commit to strengthen my faith, unite my family, and gather my ancestors.**

- Upload photos to your FamilySearch memories.
- Interview family members and record their stories.
- Add memories or important documents to FamilySearch.
- Transcribe or scan your old journals.
- Create a time capsule with photos, documents, and items that are special to you.
- Read or share stories of how your ancestors overcame adversity or how they strengthened their faith.
- Keep a current temple recommend, or make an action plan to receive your temple recommend.
- Do some research about your ancestors and their homelands/cultures.
- Learn how to cook a culturally significant food from a country of your heritage.
- Visit the grave of a family member.
- Find names to take to the temple.
- Record family members sharing their testimonies and stories of faith.
- Visit the temple grounds. Note the symbolic features of the temple and enjoy the beauty and peace there.
- Choose one memory as a family and take turns sharing your memories from the trip or experience- bonus: record it!
- Create a family health history.
- Reenact family memories or stories.
- Make or watch family videos.
- Make a family recipe, if you have children have them help.
- Index as a family or with friends.
- Find ways to make your home feel more like the temple.
- Create a scrapbook or photo book of a favorite family vacation or memory.
- Create a piece of temple artwork or craft and display it in your home.
- Plan a family reunion. If meeting in person is not possible, try a virtual one!
- Make plans to attend the temple with a friend or family member.
- Pray for personal revelation to help you gather Israel on both sides of the veil. Make plans for carrying out your ideas.
- Play Family History 20 Questions with the children in your family to help them get to know their grandparents/aunts/uncles.
- Keep a family journal- have each member record their perspective of family vacations/memories.
- Create a book of your favorite family recipes.
- Go on a hunt to find family history objects in your home. Take pictures and upload them to FamilySearch with a short written and/or audio description.
- Create a family history timeline, either for yourself or for your family.
- Create a memory game with pictures of your ancestors, make sure to include their names.
- Have everyone draw their favorite family memory and guess what each memory is.
- Learn about an ancestor and make a dish they were known for.
- Use Google Maps/Google Earth to find family history sites: missions, vacations, previous homes/cities lived.
- Recreate old family/childhood photos.
- Make an appointment to attend the temple
- Create an ofrenda in your home- print photos of ancestors and display them.
- Read books by prophets/apostles/other church leaders about the temple and temple covenants.
