

# Rules of the Game

1 or more players. In order to play, each player must have a dice and playing piece. They will also need a phone or tablet.

The youngest player goes first.

On your turn, roll the dice. Move to the number of spaces indicated by the dice.

If you land on a time machine, follow the instructions on it. If you land on an activity, Scan the QR code which takes you to the Together App. When you complete the activity your turn is over.

The first person to get to the last square gets to call a family member and record a memory.
